

MUNICIPAL CORPORATION, CHANDIGARH

PUBLIC NOTICE

Due to increased demand of drinking water in summer season, the watering of lawns, washing of courtyards and washing of vehicles in the morning water supply hours is prohibited w.e.f. 15.04.2012 to 30.06.2012. Wastage and misuse of water due to following reasons is also illegal and shall invite penalty alongwith disconnection as per provisions of Water Supply Bye- Laws.

1. Overflow from Over Head/Under ground Water Tanks.
2. Leakage from Water Meter Chambers.
3. Wastage of Water due to non-installation of bib taps.
4. Leakage in pipe line from ferrule to water meter.
5. Leakage & overflow from Desert Coolers.
6. Installation and use of booster pump direct on water supply line.
7. Wastage or misuse of water through any other reason.

The following action shall be taken against the consumers, if found indulging in any of the above acts.

On first violation, a notice shall be served on the defaulting consumers for getting the defects/faults rectified within a period of 24 hours of the issue of notice.

On detecting a violation for the second time, a fine/penalty amounting to `2,000/- shall be imposed, which shall be recovered through regular water supply charges bills. Any material like booster pump, hosepipe etc. being used by the defaulter shall be confiscated.

On finding a violation for the IIIrd time, the water connection shall be disconnected immediately without any further notice.

The consumers are requested to cooperate and help the Corporation to meet with the demand by avoiding wastage and conserving precious water.

COMMISSIONER
MUNICIPAL CORPORATION CHANDIGARH.
